Here is to be observed, That in the Years 1625, 26, 27, 32, and 33, the Plague raged very much ; as also, that in the Year 1630, there died of the Plague meerly, 764. and in 1680, 103. Besides that, amongst the Chriftened in 1713, a Girl was baptized, which was born and bred in *Turkey*, but from *Christian* Parents.

But

But, in general, it may be observed, That this Place was more populous before the War than it is at present; tho' in this Century it cannot but very much recover and increase.
